Message from the Chair of Governors

Dear Parents and Carers,

Goodness the year has flown by and so many things have been achieved!

As always, the governors thank all our wonderful children, staff and Headteacher who make Cradley School what it is, a safe and caring place. I met a person who congratulated me, as governor for the way the children behaved at The Three Counties Show saying how polite they were and that their behaviour was a delight. What an accolade!

Unfortunately, I have been ill the last few weeks of term so have missed all the events. However I have been told all was fabulous as expected. Of course! Thanks go to all involved.

I wish all Year 6 children the very best on their onward journey and hope they remember to occasionally look at the Bible given to them on their leaving Cradley School, by St.James Church Cradley.

Have a wonderful Summer all of you, plenty of time to relax as families and enjoy new experiences.

Eryl Copp

We are now using Arbor for all school payments and club, trip and meal bookings. Please check your junk email if you haven't received an email with log-in details.

Meal payments will be taken on the day of the meal.

If you have any problems accessing the portal please do let the office know.

Many thanks

We're using Arbor's free Parent Portal and Parent App

We've chosen Arbor to help us manage our school.

Arbor is a simple, smart and cloud-based MIS (Management Information System), which helps us work faster, smarter and more collaboratively as a school. The Parent App and Parent Portal mean we can keep you informed about your child's life at school in a much more accessible way. Log into Arbor to see and update your child's information, get live updates and make payments or bookings on the go!

The Parent Portal works on Google Chrome (computer or laptop) and you can download the Parent App from the App Store or Google Play Store on your phone (Android 5.0; iOS 10.0 and upwards).

How to get started

1. Wait for your welcome email from us telling you Arbor is ready - you won't be able to log in before
2. Click the link in your welcome email to set up your password
3. Go to the App or Google Play Store on your phone and search 'Arbor'
4. Click 'Install' on Android or 'Get' on iPhone then open the App
5. Enter your email, select the school, then enter your password
6. Accept the Terms & Conditions and enter your child's birthday

Need help using Arbor?

Contact the school office if you have questions about Arbor, the App or Parent Portal. Tell us the type and model of your phone, e.g. an iPhone SE, and include screenshots or screen recordings.

To safeguard student data in line with General Data Protection Regulations (GDPR), Arbor only works directly with schools.

Some tips to try:

1. Ensure your username is the email address you use for Arbor. Ask us to **check the email address** linked to your account.
2. **Reset your password** from the login page, or ask us to do this.
3. If the login email was sent to you more than 96 hours ago, the **password link will have expired**. Ask us to send it again.
4. Ask the school office to check that your email address has not been used twice - e.g. on another guardian or child's profile.
5. **Enter the birthday** of one of your children to log in.
6. Only relatives who are **Primary Guardians** of a child can access the Arbor App. Ask us to check you can access Arbor.
