**Message from Mrs Jones**

Dear Parents,

We have had a tricky week in school with staff and children being unwell. We have seen an increase in the number of people needed to be tested for Covid. Please remember that if you or your children have any Covid symptoms they should go to a test centre for a test, an LFT test is not reliable in these situations. We must always remain cautious and careful.

On Tuesday, after the announcement from the PM on Monday, we will send the arrangements for the Year 6 Rounders and Sports Day. We will need to follow DFE and LA Guidance.

Yesterday I sent a letter about Class teachers. We are having a move around and some staff are moving on. I will as always keep you posted. We welcome Mrs Kitty Hurley to our team as a TA, she has been with us on a training placement this year and we are looking forward to working with her. Miss Tuckwood will be teaching Class 4, she is a newly qualified teacher and she is very excited to begin her teaching journey with us. On July 19<sup>th</sup> we are having a 'move up day' and all the children will spend the day with their new teachers.

Have a great weekend everyone.

God Bless

Mrs Jones

# SCHOOL LIFE

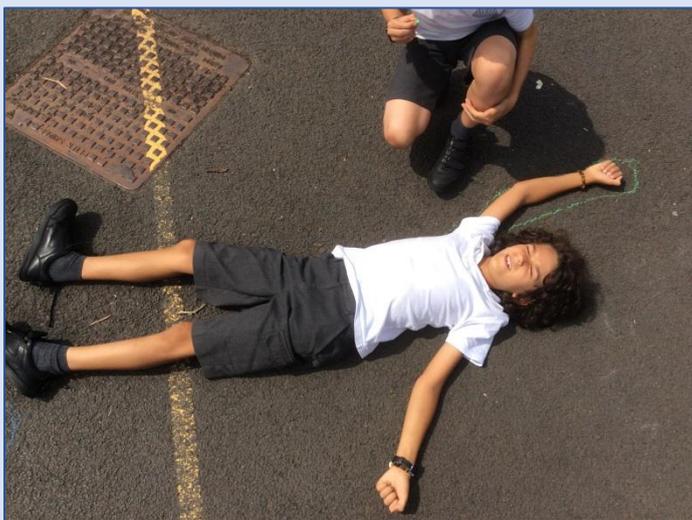

Year 5 learned about the growth of a foetus in the womb as part of their Science lesson.

Class 2 have been having lots of fun this week in PE practising for sports day.

Class 3 and 4 have been very busy with rehearsals for the KS2 play 'Joseph'

In Class 4 we are working on a Keith Haring mural. A big thank you to Bernie who is leading the project. We have been drawing round each other to create outlines of ourselves in different poses. Next week we will put all the images together to compose a whole class picture!

Class 4 took part in a treasure hunt in their Maths lesson this week. When you solve a clue it leads to the next question!

Class 4 enjoyed a great game of rounders in their PE lesson with Mr Armitage this week!

We love to see what the children get up to in their spare time! Please remember to upload any photos that you'd like to share onto Tapestry with the subject 'Newsletter'.

# NURSERY NEWS

This week in Nursery we have been continuing to explore our theme for the term 'Growing'. On Monday we all joined in with a relaxing yoga session to learn how to stretch our bodies to help us grow big and strong. We have also enjoyed time to play outside this week as the sunshine is making an appearance again for us. Outside we have been busy exploring our mud kitchen that has been filled with lots of new sensory play for us and we've also been helping Lauren to dig out our old sandpit ready for a nice fresh new one in September. This week our story of the week has been 'The Enormous Turnip' and Kelley made us our own gardening sensory tray to explore, we got to dig up our own sprouts, carrots and broccoli! Thursday was a very exciting day as our pre-schoolers got to spend the afternoon in Class 1 and the rest of the children in Nursery joined in with a water P.E session on the field in the sunshine. We finished off another fun week with Carol on Friday in Forest School.
