

Class 1 - Yr 1 - Summer Term Curriculum Newsletter 2022

What we are hoping to learn this term...

Phonics

- Become secure with special friends e.g. ch, sh, qu, ck.
- Become secure with set 3 sounds.
- Blend set 1 and set 2 green words without using Fred talk.

Literacy

- We will be exploring fiction, non-fiction, rhymes and poems.
- We will be exploring writing lists, descriptions, own versions of stories and rhymes.
- We will be secure with capital letters, full stops and finger spaces.

Communication & Language

- We will be recalling and retelling the different texts we cover.
- We will be using role play through the texts we cover and our topic.

Mathematics

- Addition and subtraction.
- Multiplication & division.
- 2D & 3D shapes.
- Telling the time.

Reading

Please read at home every night with your child. Reading at home has a huge impact on the progress a child makes. It is important that your child reads their book several times at home before it's changed as this helps develop fluency and confidence in reading.

Physical Development - fine and gross motor

- Threading, playdough, clay, painting to support strengthening hand grip.
- Take part in activities to prepare us for sports day.
- Accurate throwing and catching and racket work - tennis.
- Ball dribbling and accurate passing with a partner - football.
- Yoga

UTW

- We will be exploring space:

What is it?

Astronauts

UFOs

Stars and the moon

Planets

What makes our world special?

- Our amazing plants
- Continents around the world

EAD

- Junk modelling
- Clay
- Painting
- Paper Mache
- We will be using iPads to understand how to navigate apps.
- We will be using role play during our literacy, PE and topic lessons.
