## Message from Mrs Jones

Dear Parents,

As a Church school it is important to know what makes us distinctively Christian. Of course being a Church School does not mean that children all have to be practising Christians, as in a faith school, but it means that we are inclusive of all children and families from within the Parish and beyond. We need to have a Christian vision for our school which outlines how, through Christian values, we will give our children the experiences, opportunities and support to help them to be the best that they can be.

The vision we are working on is based around a bible verse. *Ephesians Chapter 2 V10. God created you to do amazing things.* Our vision also links us to the church in Cradley named after St James.

At Cradley School we want children to be the best that they can be. We recognise that all children are different and unique but by swimming together in the same 'ocean' they can be guided and supported by those around them. Just like St James we too are on a journey. The adventures, opportunities and experiences we get from being in Cradley school will help us to be the amazing beings that God created us to be.

If you have anything to add or further suggestions please let me know.

Have a lovely weekend

God bless,

Mrs Jones

# SCHOOL LIFE

As part of their Carnival of the Animals topic, Class 2 are now studying fossils and dinosaurs. They were very excited to make their own (imitation) Amber fossils.

Year 1 children enjoyed a Maths lesson outside this week learning about capacity.

The children have had lots of fun with their friends in after school club this week, playing on the adventure playground, roller skating and blowing bubbles!

Year 6 enjoyed playing rounders in their PE lesson this week with Mr Reynolds.

Forest School has been busy this week with Class 3 having great fun playing and the children helped Mrs Gleaves build a tippy tap for washing their hands in Forest School club after school this week.

We love to see what the children get up to in their spare time! Please remember to upload any photos that you'd like to share onto Tapestry with the subject 'Newsletter'.

# NURSERY NEWS

What a fun busy week we have had in nursery. On Monday we had PE with Kelley where we re-enacted the Hungry Caterpillar! On Tuesday we all enjoyed making yummy fruit Kebabs with Lauren and we talked about different healthy foods we like to eat. On Wednesday Charlie helped us create our own butterflies using our hand prints. On Thursday we looked at our 5 senses with Katrina getting the children to taste, touch, look, listen and smell different things. On Friday we went to Forest School with Carol where the children took part in pond dipping to see what we could find!

## NEWS

Thank you to everyone who attended the FOCS Zoom meeting on Tuesday evening. It was lovely to see some new faces and volunteers. As you aware fundraising is particularly difficult at the moment due to Covid restrictions but we are hopeful that there will be some exciting things coming up soon. We will be selling ice creams after school, holding a second hand uniform sale and are looking into holding a summer event in July. We will also be doing the apple juice again this year as well as the Christmas card orders. If anyone would like to help with any of these events please get in touch with the office. If you have any spare, clean, nearly new school uniform at home, please can you bring it to reception ready for the uniform sale.

Please remember to use easy fundraising every time you shop online. Over 5,000 shops and sites will donate to Friends of Cradley School, including all the big names like eBay, John Lewis & Partners, Argos, ASOS, M&S and Just Eat! **Since setting up Easyfundraising we have raised an amazing £2480 just through this alone, so please continue to use it whenever you can. Every penny counts!!**

Thank you for your support. Remember we still have 14 bottles of apple juice for sale!!
