## IT'S A CHRISTMAS CRACKER

Our Christmas Nativity opens on the set of a television studio where there is a show to find the Christmas Number 1 Song. There are six songs performed by different bands like The Landlords, The Wise Guys and Gabriel Soul Patrol. Each of the songs tells a little part of the Nativity story. The songs are really catchy, especially Everybody Sing Along performed by The Yuletiders. It's lots of fun - Minnie is a cheeky make-up artist, there are grumpy camels and a disco glitterball as the star. The director, Miah, is really bossy! There is a really good bit when the innkeeper and his wife (Lucas and Jemima) squabble because the innkeeper let Mary and Joseph sneak into the stable. It's great fun!

This Christmas will be remembered as the year when a heavy snowfall wreaked havoc on our Nativity. Of course the show *did* go on, but for all those who sadly missed our seasonal spectacular, Rudi Tambling (Class 2) raises the curtain on our festive finale.

# IT'S CHR-I-I-I-STMAS

This year we added some glitter to the traditional Christmas story, as we counted down the hits to see who was top of the festiva pop charts! Would it be Gabriel's Soul Patrol, The Landlords, Don Kee & The Animals, The Crooks or The Wise Guys? Throughout the show the story of the First Christmas was told by the performers as we learnt about the important message of the Nativity.
