

CRADLEY CE PRIMARY SCHOOL

PSHCE Intent

At Cradley School we want to set children up to be caring, kind and resilient members of society. We would like to equip them with skills to help them take the British and Christian values, along with our learning behaviours into the world and become knowledgeable global citizens

To design a curriculum with appropriate subject knowledge, skills and understanding to fulfil the new PSHE three strands; health and wellbeing, relationships and living in the wider world.

Relationship and Sex Education is taught in line with government guidelines.

Children will have accurate and relevant knowledge of PSHCE.

Children will have opportunities to create personal understanding.

Children will be given the opportunities to explore and challenge a range of values, attitudes, beliefs, rights and responsibilities.

Children will develop a range of skills and strategies to live a healthy, safe, fulfilling, responsible and balanced life.

Children will be supported through our Christian values and daily collective worships/

Implementation

The school curriculum will focus on the three core learning themes; health and wellbeing, relationships and living in the wider world.

The Scheme of work and Progression of skills, also includes opportunities to link British Values, Spiritual, Moral, Social and Cultural (SMSC) and our Christian values skills into the curriculum.

Children have access to key knowledge, language and meanings in order to understand PSHE to use across the wider curriculum.

Whole school, Key Stage and class assemblies can make a link to PSHE, British Values and SMSC.
